College Ten

Founded 2002

College Ten’s theme, Social Justice and Community, focuses on issues such as discrimination, poverty, social injustice, and community involvement.

CAMPUS HOT SPOTS

Arborcumn & Botanic Garden

The UCSC Arboretum & Botanic Garden is a research and teaching facility serving the campus and the public. Part of the center’s research activities, including angiosperms, and plant families of the Southern Coast. Located near the intersection of Empire Grade and Western Drives, the Arboretum is open to the public daily with an entrance fee of $5.00. Noe’s Grill Shop is also open daily. arborcumn.ucsc.edu

ATMs

Bank ATMs, accepting most cards, are located just across from the Bay Tree Books.

Bay Tree Bookstore

The bookstore is located off Hagar Drive. Available at the bookstore are campus waterfront, apparel, computer supplies, food, and snack items. Bookstore hours are Monday–Friday, 8:30 AM–5:30 PM, and Saturday, 10 AM–5 PM. baytree.ucsc.edu

The Farm

UCSC’s 30-acre organic farm is one of the research and educational sites of the Center for Agroecology and Sustainable Food Systems (CASKS). CASKS is working toward the development of sustainable agricultural systems that maintain environmental quality and provide employment, nutritious food, and an affordable and stable food supply while creating the same for future generations. The Farm—located near the base of the campus—is open to the public and sponsors a variety of public education events for the community. cask.ucsc.edu

Long Marine Laboratory

Located 100 yards north on campus from the shores of the Monterey Bay National Marine Sanctuary, Long Marine Laboratory promotes the advancement of knowledge about the marine environment through research, instruction, and public education. Adjacent to LML, the Seymour Marine Discovery Center houses nearly 80,000 school children yearly as well as other visitors. seymourcenter.ucsc.edu

McHenry Library

McHenry Library, located in the center of campus of off Meyer Drive, houses the campus’s collections in the arts, humanities, and social sciences. The Global Village Cafe is located in the Library’s foyer. The Library, named for founding Chancellor Dean McHenry, is open to the public. Please check the library web site for current hours. library.ucsc.edu/library-mchenry

Music Center

UCSC’s Music Center, including a state-of-the-art United States Center for Meteorological and Electronic Music Studies, houses all Music Department programs. The Music Center is located in the center of campus off Meyer Drive. Many performances are open to the public.

music.ucsc.edu

Recreational Facilities (OPERS)

The East Field House complex includes tennis courts, dance and martial arts studios, a gymnasium, locker rooms, basketball courts, a half-milk jogging track, sports fields, and a state-of-the-art fitness center. The East Field House complex, located off Hagar Drive, has space for intramural play. The farm complex is open daily for fee conference participants and is open most of the year for public use.

UCSC Police

A working observation since the 1880s, Lick is located on Mt. Hamilton, 19 miles south of San Jose and about 60 miles from UC Santa Cruz. The visitors’ center and visitor’s gallery (housing the 120-inch Shane Telescope) are open to the public. In 1988, the university established the University of California Observatories (UCO), in managing Lick Observatory and UC’s component of the Keck Observatories. Lick Observatory is located in the center of campus.

UCSC Art Center

The Art Center (formerly Performing Arts), in the center of campus off Meyer Drive is the setting for a year-round program of dance, music, and other events. Facilities include the 550-seat Mackay Theater, the 250-seat Second Stage, the recently completed 400-seat Media Theater, as well as a large Experimental Theater, The Theater Arts Department, and the UCSC Ticket Office are all located on the facility.

UCSC Upper Campus

These natural lands contain many sensitive and unique biological, geological and cultural resources and reserves (additional information is available at ucsanr.ucsc.edu). Click on UCSC Campus). The upper campus is open to the public from 5 AM to 9 PM daily. Map is available at maps.ucsc.edu.

University Center

The University Center, Terra Firma Restaurant & Coffee Bar and University Center Catering, provide the campus community with space to accommodate scholarly and professional meetings, small conferences, programs and special events, as well as a place to relax, socialize, and dine during the academic year. During the interim, the facility and catering services are available for conferences and special events. ucenter.ucsc.edu

Science Hill

The buildings on UCSC Science Hill include the award-winning Science and Engineering Library, a state-of-the-art research and student services. The buildings include: University Hall, the Physical Laboratory, housing the Biology Department; Thomson Laboratories, housing the Chemistry and Biochemistry Department; and Natural Sciences 2, housing the Environmental Studies Department as well as the Center for Adaptive Optics. Access to Science Hill is off McLaughlin Drive.

PARKING ON CAMPUS IS BY PERMIT ONLY

Parking is strictly enforced on campus 24/7. Parking is by permit only, with the exception of some meters and pay station spots in each lot. White “Conference Parking” signs are posted at the entrance to lots designated for conference participants. Conference spots are available at conference.com or by contacting the Coordinator or Conference Office. Do not park in any reserved, pay station, or metered space. Tickets are municipal violations and are the responsibility of the participant.
UC SANTA CRUZ CONFERENCE SERVICES SAYS...
